
GIVING

Paragon AGI Giving Program (PGP) offers a comprehensive, streamlined system that makes giving easier and effective for corporations, foundations and individuals. PGP facilitates models for grant participation with organizations of company's whose proposed opportunities meet an interest that's mutually beneficial for our collective interests.

Paragon AGI has a proven track record, with youth and adult education; technical training and community relations, both locally and abroad; investments with state and city government organization and partnership with business and agencies. Paragon AGI consulted over 283 businesses in Chicago throughout the last decade.

Having a pulse on youth and adult education is our interest; developing *Exposure and Participation* programs promoting and driving new career opportunity engagements is our avocation.
